[GEN 07]	Processing Member State	Germany
[GEN 08]	Processing Authority	Bundesamt für Seeschifffahrt und Hydrographie  Bernhard-Nocht-Str., 78 20359 Hamburg Phone: +49 40 3190 7100 Fax: +49 40 3190 5000 marktueberwachung@bsh.de www.bsh.de
[GEN 09]	Processor	Hendrik ROHDE  Phone: +49-40-31907115 Fax: +49-40-31905000 hendrik.rohde@bsh.de
[GEN 10]	Date of Creation	24/04/2018

**Product**

[GEN 12] Serial no.

[GEN 13] Year of manufacturing

[GEN 14] Type of energy used

[GEN 15] Photo or drawing of product / packaging

[GEN 16] Photo of identification markings

[GEN 17]	Additional Information	The product is distributed without a specific type designation. It might be found with designations such as: - Pilot Ladder DIN/ISO 799/2004 - Typ: C&S L - Pilot Ladder C&S L
----------	------------------------	---

## Economic operators

[GEN 18] Manufacturer/authorised representative(s)

[GEN 19] Importer(s) into the EEA

[GEN 20] Distributor(s)

[GEN 21] also distributed in

[GEN 22] Additional distributors

[GEN 23] User(s)

## Standards

[GEN 24] Investigated Directives / regulations 1. Marine Equipment Directive

[GEN 25] Standard applied by the manufacturer

## Conformity

[GEN 26] Is there a CE marking? Wheelmark

[GEN 27] CE Marking (objections) faulty

[GEN 28] Comments  
 - faulty marking (no number of NB/year)  
 - faulty DoC  
 - noncompliant with ISO 799:2004 (no step fixtures)  
 - noncompliant with IMO Res.A 1045 (one piece construction spreaders)

[GEN 29] Declaration of Conformity available Declaration of Conformity exists

[GEN 30]	Declaration of Conformity (documents)	04a DOC.pdf
[GEN 31]	Declaration of Conformity (objections)	faulty
[GEN 32]	Comments	
[GEN 33]	Method used to confirm compliance	1. Marine Equipment Directive
[GEN 34]	Comments	
[GEN 35]	Declaration of Incorporation	Not Compliant
[GEN 36]	Declaration of Incorporation (objections)	
[GEN 37]	Comments	
[GEN 38]	ID number of Notified Body	
[GEN 39]	Address	
[GEN 40]	Additional required marks	
[GEN 41]	Additional required declarations	
[GEN 42]	Directive relevant documents, Instructions	

## Testing/Examination

[GEN 43]	Test/Examination report
[GEN 44]	Name / File ref. no.
[GEN 45]	Test/examination date
[GEN 46]	Test report(s)
[GEN 47]	Test laboratory
[GEN 48]	Scope of testing
[GEN 49]	Number of samples examined
[GEN 50]	Type of most serious injury possible
[GEN 51]	Defect safety risks classification
[GEN 52]	Description of health/safety defects

## Accidents

[GEN 53] Description of injury accidents

## Measures

[GEN 54] Voluntary measures by the economic operator 1.Manufacturer/authorised representative(s)

1.Sales ban

[GEN 55] Enforcement measures taken by the authority 1.Manufacturer/authorised representative(s)

1.Sales ban

[GEN 56] Justification for the adopted measures

[GEN 57] Scope/Location of products affected

[GEN 58] Date of entry into force

[GEN 59] Duration

[GEN 60] Additional Information

## Treatment

[GEN 67] Baton to be passed to

[PROD 25] RAPEX No.

[GEN 62] Measure adopted

[GEN 63] Visibility of information for EU/EFTA authorities

[GEN 64] Internal documents

[GEN 65] Public documents
