# Photo Contest for Seafarers

Reanmer Jean B. Baldoza, MS Star Lygra, contribution in the Photo Contest 2022

## Welcome to participate

Maximum 15 entries per person.

High-resolution pictures, minimum file size 2 MB, in jpg format.

The photos should describe the maritime environment, on board or on land, showing work or leisure.

All entries shall include the following information - title, where the pictures was taken and also the photographer's contact data, position on board and the vessel's name.

The entries shall not be older than two years.

Pictures with watermarks, date stamps or name on cannot compete.

Contestants may only participate with pictures, to which they own the copyrights. The copyright holder is the person pushing the shutter release button.

*By submitting pictures to the competition, the photographer agrees that identifiable persons have agreed that the photo is a part of a competition and will be made public on our webpage for as long as the competition exists.*

*By participating, you agree that the national organizer handles your data according to GDPR, for the sole purpose of informing you about the photo contest.*

*The national organizers reserve the right to publish the pictures free of charge, in original or edited edition, in their own publications and to supply copies to related media/magazines mentioning the photo contest.*

Submit your entries by 31<sup>st</sup> December  
to [velferden@sdir.no](mailto:velferden@sdir.no)  
More info at [www.sdir.no/velferden](http://www.sdir.no/velferden)

All photos submitted will be entered in the Norwegian contest. 15 of these will go through to the annual Nordic contest. All participants will receive a Diploma and there will be prizes for the five best photos in each contest.

*The preferred maritime administration*
